“ So sad to see that this sweet woman passed on. The Conlons were neighbors and friends - I delivered the Post Gazette to them when I was a little kid. Reading the tributes to her was inspirational.

“ Our deepest sympathies to the Taylor family. Theresa was one of the first people at our lady of joy to welcome me and my 5 kids. She had a special attachment to my son luke . I was a single widowed mom and she made sure that everyone of my kids had their first Communion. She also made sure that I was able to afford to take my kids swimming at the YMCA. It was always made me smile when I saw her at church. I will miss her deeply. The lord has gained a TRUE ANGEL.

“ Jane (Bill) and the entire Taylor family - so very sorry to hear of your mom's passing. Although I never had the pleasure of meeting your mom, after reading all of the heart-felt tributes to her, I could feel she was such a special lady. Although she'll be a missing chapter in your lives, there are so many good memories that you'll keep and cherish forever.

“ *Sending prayers and condolences to the entire Taylor family. As many on here, I have known Mrs. Taylor since I was a little kid. I had the joy of getting to know her as an adult over these past years as a CCD teacher. She was a caring, faith driven and compassionate woman. I enjoyed our chats each Monday. Sending my love!*

“ I worked for Mrs. Taylor for several years as day camp counselor with Camp Bouquet at the YMCA. I spent many a summer night with the girls talking and listening to music in the front of the house. Mrs. Taylor was a wonderful woman with a heart of gold. I'm heartbroken that this earth has lost such an Angel. May you all take solace in knowing she is no longer bound by her chains and is once again free. ❤️
