“ Dear Melanie and Mr. Titus,

I was shocked and deeply saddened to learn of Mike's passing. Although we had lost touch over the years, Mike was a special friend to me in high school when I needed it most. He was such a gentleman and took me on a few lovely dates. He was one of the few guys my Dad approved of :)

I know nothing anyone can say can ease your pain, but know that I am praying for you and his son. I have many fond memories of Mike and our times together and will always remember him.

“ Mike was my daughter's manager. He always treated her with professionalism, kindness and encouragement. We appreciated this so much and it was evident that he cared about his employees. Our prayers are with you at this time. God Bless you.

“ Mike i remember when you first started dating my mom & the only reason i warmed up to you was because you had a dog & guitar hero then i remember when you & mom told me you were having mj.. i was so happy & mad at the same time but once he was born i realized you guys gave me the biggest blessing ever, mj. You were such an amazing person & father. You took me and my siblings in & accepted us as your own when you didn't need too. We will love you forever for it. I miss your jokes while we all bully mom & laugh about things mj is doing . I promise you we will take care of him & i will always be the best big sister i can be to him. I'm so sorry you left us so soon but god needed you more & one day we will see each other again. We love u.

“ I worked with Mike at the Harmarville Ponderosa back in 2005. He was a great guy to work with. He always had a smile on his face, and was open to learning. He was a perfect father, friend, and leader. You will be sorely missed.

“ We hired Mike to work with us at Ponderosa 20 years ago. He was such a great kid and natural leader. Loved, loved, loved, his laugh. We have kept in touch over the years and I have enjoyed watching him grow as a leader and as a father! He will be missed!

“ I just met Michael during Corbiwoodstock. We enjoyed a few conversations about food as he told me he was a chef. He was a very nice man and I just loved his whole family. My heart and prayers goes to you. And now you will have your wings.
