

Nicole Hellested

April 13, 2025

We gather here today to celebrate and reflect on the life of Nicole A. Hellested.

Nicole was born on January 19, 1971, in Pittsburgh, Pennsylvania, and was lovingly adopted by Rolf and Rogene Hellested on the first day of spring in 1972.

Nicole found joy in many things—cosmetology and makeup, swimming, horseback riding, and reminiscing about old times. She had a sweet tooth that was out of this world, especially for banana pudding and sweet tea. Nicole had a great eye for art and interior design, and a natural gift for connecting with others. She was truly a people person, with the gift of gab and a charisma that could light up any room. She had a way of making people fall in love with her spirit and warmth.

Nicole is survived by her mother, Rogene, her two older brothers, Paul and Chris, her beloved children: daughters Paulina and Amber, and sons Anthony and Michael. She also leaves behind her cherished grandchildren: Illayah, Eddy, Achilleas, and Mark III, as well as numerous nieces, a nephew, cousins, and dear friends.

She is now reunited with her father Rolf, her brother Robbie, and her best friends Pearl, Tracy, and Tiffani.

Nicole's light, laughter, and love will be deeply missed but never forgotten. Arrangements entrusted to GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE.

“ Nicole was one of the first girlfriends i made after moving to Philly from FL. She took me under her wing and was really the first person to put me in a mirror and say *You're Beautiful*. I had such low self esteem but she made me feel as pretty as her. We would meet up early so she could do my hair and makeup and made memories I wouldn't trade for anything in the world. Save me a spot up there Sweets bc you KNOW you will be doing my hair! God this hurts so bad. I love you and I miss you til we see each other again. Xo Terri
