

Nicoletta Mia Ciampa

June 23, 2022

Nicoletta Mia Ciampa, age 30, departed this life on June 23, 2022. She was born on November 8, 1991, in Laguna Hills, California and then moved to Monroeville, PA. when she was a baby. Nicoletta loved music, singing, and performing on stage any chance she could. Nicoletta was a regular in every Gateway High School musical and would sing at the top of her lungs in the shower at seven in the morning and could find any opportunity to sing something versus just saying it. She graduated from Gateway High School in 2009 with honors. She went on to WVU where she received a scholarship for music and concentrated her studies on classical and opera before going into elementary education. While at WVU, Nicoletta participated in several WVU foreign exchange programs, living in Recife Brazil for a semester, traveling to villages in Ghana, and to Thailand with her son Sage to teach Music Therapy as part of her master's studies. She graduated from WVU in 2018 with a Masters in Elementary Education and Music Therapy. While studying for her master's at WVU, she performed in musicals, operas, and worked as the Music and Theater Program Manager at the Morgantown Theater Company. After graduation, she stayed in Morgantown, WV and began teaching 4th grade at Suncrest Elementary. In 2012, she met Dallas Wright and they began dating. Four years later, their son, Sage Trujillo Wright was born on June 27, 2016, they were married April 20, 2020. All of us will miss her kindness, intelligence, smile, cooking, laughing, singing, dancing, curiosity, sarcasm, humor...we will miss what made her. Nicoletta is survived by her son Sage;

her partner Dallas; her parents, Andrea & Damon Marraccini, Alfonso & Pam Ciampa; her sister Madeline Ciampa, and many uncles, aunts, cousins, and friends. Friends will be received on Wednesday, June 29th from 2:00p.m. - 8:00p.m. at the GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE, 4335 Northern Pike. “ *This was absolutely heart breaking news to get.*

It's easy to forget in the busy time that we live in now that we both came from that Ramsey bus block, where she was almost the first stop and I the last. You could hear her laugh the minute you walked on the bus. That laugh was something that carried all through high school, despite our crazy orchestra or musical schedules. I always knew that, where I was too serious, she'd be there for the laugh.

It's been a long while since we connected, but I know for a fact that the worlds just a little duller without you. Rest easy, Nicoletta. You and yours will be in my thoughts.

You are always alive in my heart your love for me and everyone, the joy you gave to all that knew you, our laughter and jokes, my Granddaughter.

You returned to the eternal light with multiplied gifts to share in the Spirit !!! And left me your voice to give peace.

Your light was shut of for a instant but is light for all that love you and never will forget you.

Till me see each other soon.

Take care of us all and be with us , I know you are with me.

Your love is in me.

“ I am so sorry for the loss of Nicoletta. She was so easy to sew costume for for the musicals. She was so kind and funny and always appreciative of what we sewed for her. I am so very sorry for her family's and friend's loss. Sending prayers and condolences to her family, friends and loved ones.

“ May you be filled with loving-kindness
May you be well
May you be peaceful and at ease
May you be happy

This is a song that I got to hear you sing often in Thailand. It is now the song that I sing in honor of a beautiful soul. Many condolences to Dallas, Sage, the family, friends and lives affected by her presence and transition. May this song bring light to your hearts, the way it has to those who were blessed to hear it from Nicoletta.

“ Our family is so very sorry to hear of the loss of Nicoletta. She worked with our daughter in MTC and also taught her voice and piano privately. She also touched our son's life when she taught at his pre-school. She was always so patient and kind. Many prayers to those she leaves behind.

“ Last summer (june 2021) Nicole was driving home from NY & tried calling& texting me. Her drive home put her within 10 mins of my house (usually, we are 3hrs apart). It was 7 in the morning, and I never charged my dead phone from the day before. It went to voice mail. She decided to just stop over anyway. Normally I would be nowhere near awake as I work nights. But this morning my then 1yo woke up bloody early& wouldn't go back to sleep. So I made a pot of coffee, and heard a knock on the door. To my surprise there she was! She came in, we fixed some cups of coffee& sat outside in the morning sun just chatting for a few hours. This is one of those mundane, non eventful memories that I will hold close for ever..
