Noel Phillip Grimm

Of Monroeville, born April 12, 1935 in Milwaukee, Wisconsin, passed to eternal life December 14, 2023 at age 88. Noel is predeceased by his parents Phillip Anton Grimm and Viola Berndt Grimm and his much-loved brother, Peter Grimm, of Brecksville, Ohio. He is survived by his devoted wife of 63 years, Mary Goodson Grimm and his cherished children Dan (Gail) Grimm and Julie Clark. He was loving "Papa" to granddaughters Maya Clark and Macy Clark. He shared the joy of life and love with Mary's extended family all around the U.S. Noel had an engineering degree from the University of Wisconsin. He spent his entire career working on Nuclear Power Plant design, of which, 33 of those productive years were with Westinghouse Nuclear Division. Noel and Dan took up bicycling in the 1970's and Noel spent 30 years with great friends from the Western Pennsylvania Wheelman (WPW) club. He was still riding 2,000 miles a year at age 70. When the opportunity to develop a "Rails to Trails" project began, he jumped right in to provide such a wonderful safe recreation. Noel joined the Westmoreland Heritage Trail project at the way beginning and worked to develop and maintain the trail for 17 years. It was the joy of his retirement years. He was so happy to see hundreds of people a day enjoying the beautiful trail. Friends may be received on Tuesday, December 19 from 6-8 p.m. and on Wednesday, December 20 from 2-4 p.m., with a funeral service following at 4 p.m. at the GENE H. CORL FUNERAL CHAPEL INC. “ I'm so sorry to hear of Noel's passing. Noel was a co-worker of my father over 40 years ago. I was reminded of Noel when I was going through some of my father's things - he died just over a month ago. I remember Noel taking me on some WPW bike rides when I was about 12 years old in 1979 or so. I also remember going white water rafting with him on the Youghioghney River. I remember his kindness and generosity. I am grateful to have known him.

“ Noel was a kind man and will be missed by so many. I fixed his computer and gave him training for over 20 years... I remember he loved scanning his old Kodak slides to the PC, he would spend hours and hours on them! I am thankful to have known him, he was an amazing person.

“ *Two young engineers, Noel and Walt, and one young secretary, Lois, working on the same floor 60 years ago at Westinghouse Atomic Power Division in Forest Hills. Noel was a sweet and kind man and a friend of my husband Walt Lyman. Walt died three weeks ago on November 28. The secretary is still here. My condolences to Mary, Dan, and Julie*
