“ Shocked to receive this news today from a fellow NAM classmate who is planning a zoom reunion for the anniversary of our 6th grade graduation. Patty was a dear grade school friend. We had sleepovers where I think we tortured Cecilia. Her mom and dad were super sweet-I remember her Dad working at Johnson’s Dairy.

Thoughts and prayers to you Cecelia and all of Patty’s friends and family.

“ Cecilia, I am so sorry to hear of Patty's passing. The neighborhood will never be the same. Her kindness, charm and sweet smile will be greatly missed. Her illness really took me, Glenn and Evan by surprise. We take so much for granted in our busy lives and just assume all of us will be around well into our old age. May your wonderful memories bring you comfort. Prayers to all her friends and family; as I know your fur babies are feeling the loss as well. Take comfort knowing you were and are an amazing sister. Patty is your Guardian Angel now.

“ Patty, practically growing up together, there are just to many memories to share..From running around your backyard in Monroeville, off of Moside to all being together at Gramma and Pap Paps house...then there the dancing days at yours and Cecilia 's graduation parties..My best memory is that sweet summer day at 3 Rivers for the Beach Boys concert...I'm surprised Aunt Jean and Uncle Leo trusted me to take you guys ..I bet it was glorious to see to mom and dad again .I know it was quite a crowd there to hug you with us being related to both sides of the family..Rest easy dear cousin until we can all be together and dance again. I love you Patty
