“ *Such a wonderful person to re-connect with our high school events. I thought she was great in class and nothing changed while planning our reunions. So glad to have that time. She will be very missed by the class of 76,* ”

“ *Patti is a treasured friend. She taught me so much about orthopedic nursing. She truly was the reigning Traction Queen. She was a dedicated, kind and caring pediatric nurse who lovingly cared for patients and families for many years. Most of all she was a wonderful friend. Patti and I have shared so many heart to heart talks and laughs over the years. I will miss you my friend.* ”

*I worked with Patti in the PFC office during her final years at CHP. She was one of the kindest and most generous people, always putting others first. She loved her family so much, always sharing about her siblings, in laws and niece's and nephews. We heard about her trips and she was so happy to visit all of you. She was one of a kind and I will really miss her. God Bless all of her family and friends as they navigate life without Patti ❤️ my condolences 🙏*

“ *You have our deepest sympathy. We so enjoyed our times together planning reunion activities, or our monthly Class of '76 last Wednesday night of the month get togethers. Patti was a gem. Her dedication to the medical field, and her patients, is priceless. She fought the good fight with grace and dignity. Always a smile on her face. Rest in peace dear Patti. No more pain.*
