“ Pat was a very special person. We got to be friends through the library book club. She had a very kind and caring way about her. She never complained despite all the health issues I know she experienced. Pat was a good role model and friend. I will miss her.

“ Pat was a long time enduring member of our book discussion group at The Monroeville Public Library. She contributed to the selection of books we read and usually had a lot to say about them. The group will miss her contributions and pleasant presence.

“ So sorry to hear of Patty’s passing.
She was remembered fondly as my first cousin and a firecracker in life.
She and her Uncle Ed (my father) shared same birthdate Jan 17 th.
Dad always told stories of being Patty and Marty’s babysitter for Aunt Reggie.
She was carding and loving to those who embraced her.
Condolences to her brother John and her children and grandchildren.

Patty and I became close friends as freshman in our first year of high school that was 70 years ago we shared many of life’s journeys and III L confidences. We were more like sisters. She was godmother to my son Doug I was godmother to her daughter Jacqueline that was 70 years ago. BShe was more like a sister than a friend. I loved her dearly. I’ll never forget her laugh. She had many struggles with her health. God always seemed to bring her through except this final time. All of the memories we shared will never be forgotten up to our luncheons at Applebee’s in Murrysville into this last year 2025. I offer my deepest condolences to her family especially. Her children, grandchildren, and brother John. I was comforted n when Patty told me it’s in God’s hands and she’s ready. God bless you and hold you in the palm of his hand. I will miss you. ❤️

“ *Very sorry to hear about Pat. She was a good friend to our parents (Bob & Rose Sprankle), especially to Mom when Dad passed away (from Lavale Apts). We all enjoyed spending time with her - going to the movies, sharing a meal, just talking (about books especially). Pat will always hold a special place in my Sister's and my heart. Love and hugs to you all.*

“ *Deeply sorry to hear about Pat. She was such a wonderful neighbor to my parents, and I'm so glad our friendship continued even after she moved down the road. I have such fond memories of trips to the movies and great conversations. Her loyalty, especially her regular visits to see my mom in assisted living, meant the world to us. She was a rare, true friend, and we will miss her dearly*
