“ I enjoyed working with Phil over the last 25+ years, and am amazed he kept working up to last year and his vitality. He was a great story teller, always had a smile and spoke so often of his family. Phil was one of those salesman you look forward to visiting with.

“ Knowing Phil I am sure right now he is touting the benefits of the Elliott compressors to the people upstairs. The thing I loved about him was that he loved work as much as vacation. A lot of us at AEP will miss Phil.
