“ Kevin and Dave So sorry to hear about your brother and Dad. Spent many a good time with Scott growing up and although I hadn't seen him in many years he will always occupy a special place in my memories. I'd like to offer my sincere condolences in your time of mourning.

“ Words cannot describe the void that will be left in our family because of losing Scott. In times of crisis, he was always there with a kiss on the cheek and a hug, I have lost more than a nephew, I have lost a little brother, There are very loving memories of our growing up together and the times that the family spent at the lake. These memories are priceless. So I say to you, Scott, thank you for all that you have been to me and know that you are and always will be deeply loved. To our family that is left behind, know that we will always remain as he would want us to be.
