“ I worked with Rachel at CVS Caremark for many years. I know it's been a long time since she's gone but I still think of her from time to time.

Especially in summer when making zucchini casserole from her recipe she emailed to us in the office. And when I go out on our kayaks, I remember the group kayak outing she organized one year on the river in Pittsburgh. She is still very much missed.

“ There are days that I still think of you and miss you like crazy. You were such a beautiful person and I wonder why... You are still talked about at CVS too. Wednesdays are never the same.
I hope you are at peace now.

“ I met Rachel back in 2002 when our divisions at CVS merged. I always appreciated Rachel's liveliness and sense of humour and the fact she never knew a stranger. She was always open to talk at any time about work or personal worries. She will be missed.

“ I have known Rachel for 16 years, and have so many wonderful memories to share. She was always so positive, and her upbeat attitude rubbed off on others.

My favorite memory of her occurred before Christmas many years ago. A group of us had a girls night out. After dinner, she invited all of us back to her house for a tea party. She must have spent days baking to prepare for this evening. There were so many homemade treats, and her dining room was decorated so beautifully. There was a gift for each of us which I still have. The evening had such an impact on me because I can't count the number of times I pretended to do this very thing when I was little. To this day, I remember that evening, and will always treasure her friendship.

The world has lost such an amazing person. My thoughts and prayers will always be with her family.

“ Rachel was a true and kind person through and through. As a colleague, Rachel was a cool breeze of fresh air in the workplace. Knowing a person such as her and having sincere discussions about family, friends and the things that mattered most to either of us was common occurrence with Rachel. She wasn't a fleeting thought when I thought about people in my life that exemplified a good spirit. She was the example.

My sincere deepest condolences are with the family on this day.

“ Our condolences go out to Aunt Shirley, Uncle Joe, and Audra. Rachel was way to young to be gone so soon. I pray that she has found peace and will always remember the times we, as a family, had picnics when we were younger.

“ We will miss Rachel. She had a heart of gold! She was a great friend, colleague and mean texas hold-em player! :) She loved helping others - always. She loved tutoring the kids, helped my daughter with her math and just made learning fun! She was a fun-loving lady! Rachel was an amazing cook and baker. She reached out to me once when a friend had surgery and offered to make a complete stranger meals for a week. It was just her! I'm going to miss her! Our deepest condolences to all of her family!

“ Rachel was the most beautiful person I have ever met. She was giving and loving and always joyful. When I would get stressed out over the winter, she would make me go outside and walk under our building without a coat to cool down. It was usually a brisk short walk but one day I was still full of stress so she turned me from the door and said "You're not done so we need to walk some more." And walked around the parking lot and just started laughing. She loved to see pictures of my new granddaughter and the "tourniquets" that she wore. And as a proud Mimi, I was happy to show them to her.
She will definitely be missed as she was very loved.
