“ I just heard of Rico’s passing today! He always took care of our church’s IRS filings, so I would only see him twice a year. But that was for the last 17 years! We would talk and laugh during those visits to H&R Block. I will miss him so very much!

“ I just heard of Rico's passing. I knew him as a coworker at H&R Block. He was a terrific instructor who taught "his way." If you ever had a tax question about anything, he was the one to ask. Great guy, wonderful personality and will be missed by all his Block coworkers.

“ Rico was a very special person to me, having gotten to meet him through rehab for his lungs in the later stages of his life. He always told me I was “delicious” and we would laugh together. I’d say, “Rico, you’re too old for me!” And he would tell me I wasn’t his type! Haha. A great man!

“ Rico. One of a kind I loved when he would complain about all the things we did that unintentionally drove him crazy He enjoyed every minute of it! I can honestly say with endearment, he was stubborn and impatient As well as precocious and charming! I will miss him❤️
