“ I knew Richard when he was a young father of two great children. He was a special man and truly a gentleman. I know all of your family will miss him. We will keep everyone in our prayers 🙏

“ Rich was my neighbor when I was growing up. He was one of my little league coaches. One of the scout dads. He was always inviting, always warm, and always happy to see us kids. Most importantly, he was a good person, and someone I looked up to. I still haven't fully processed that he is gone. My deepest sympathies go out to Sally, Chris and Lindsey. I regretfully can not make it to the funeral, but wanted to let you all know that I'm keeping you all in my thoughts and prayers. Much love to the whole Renn family.

“ To Richie's family: Ike worked with Richie for years, everyday, and we will truly miss him. They had a lot of good stories to tell. God bless all of you during this sad time; and may the Lord cradle all of you in the palm of His hand in the days ahead.

“ I miss you so much Dad. My heart aches everyday. There isn't a moment I'm not thinking about all the great memories we had together. The kids and I love you so much! I will make sure to set up your beach chair right under the umbrella for you and will meet you there! I'm not sure how long I will grieve, but I know I promised you I would be ok. Until we meet again. Love you so much

Very sad to have lost this great neighbor. So much shared through these years by our families. Rich was the quintessential, do anything for you good guy. Living next door for 38 years you get to know and appreciate that goodness. You could see it a feel it with just a little wave across the yard. We will definitely miss him. Our condolences to Sally, Chris, Lindsey and the whole family.
