“ Ricky was my best friend through those all-important teen years and as we both evolved into adulthood. So many exceptional memories, from being Best Man at one another's weddings, exotic travels to Oktoberfest and the Caribbean, and the always-enthusiastic touch points from whatever parts of the world we were in. Rick was a fiercely loyal friend. He faced his health challenges bravely, with positivity and with a deepening connection to God. He will be missed by many, whose lives were inevitably filled with more smiles and laughter because of his infectious enthusiasm for life.

“ I am so sad and sorry to hear about Ricky's passing. I have followed him through his journey and was joyful with him when he went into remission. Although it had been a few years since I saw him, I remember his positive attitude, happy smile how he was happy to see people and reconnect with them. He will be missed dearly but remembered fondly. Sending love to Roxanne, Cindy, Mrs. Varlotto and Ricky's extended family.
