“ Marjorie, I am sorry to hear about the passing of Dr. Biddle. He was a long time Friend and care giver. I was thinking about stopping by in December to share a glass of wine with him but just saw the obituary. May his soul rest in peace in the heavens. George Dorkhom

“ I have fond memories of Dr. Biddle. First because he helped my back. But he was a very nice person. I remember his wife too, we were friends for a long time, I did her hair. Later in our lives we would go boating with them occasionally. And I remember Bobby! I am so sorry for your loss. We will see him again some day. My prayers are with you Bobby.

“ Doc one of the nicest Doctors I ever met. Kind, Caring, Gentle. So many fun times on the boat with Marjorie. Great memories. The world seems a little less kinder. RIP Doc.
