

Sandy Beley

February 4, 2026

Sandy Beley, 63, was called home to be with Our Lord, February 4, 2026, after a heroic 13 year battle with breast cancer. She is survived by her beloved husband Scott “Bubbs” and their three children, Tyler (Gabby), Jake (Alison), and Alyssa. She absolutely adored being a Grandma (our beloved SanSan) to Liam and Owen. Sandy was the daughter of LaVerne and the late Frank McDonough and sister to Janice (Richard) Parsons, Linda Quinn, and Deb (Dave) Stemerick.

As a lifetime resident of Monroeville, Sandy was a Gateway High School graduate. She then studied at Duquesne University. After a 22 year career as a computer programmer, she knew that her three kids needed her at home full time, so she chose to step away from work and devote herself fully to them.

Sandy most enjoyed vacation with her family every year. She loved traveling with Scott on their grand adventures; their most recent one being to Italy this past October. She adored the babies in the family and loved holding them. They always were content in her arms. She also enjoyed her long brisk walks with her dogs (Rosie and the late Gizmo) and time with her dear friends. She was known by many as the absolute nicest and caring person. She was so kind to all.

Family and friends will be received on Monday, February 9, 2026, from 3 to 8

p.m. at the GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE, 4335 Northern Pike (412-372-2100). A Mass of Christian burial will be held at 10:30 a.m. on Tuesday, February 10, 2026, at Christ the Divine Shepherd Parish at St. Bernadette Church. Interment will be private. In lieu of flowers, donations may be made to the Breast Cancer Research Foundation.

“ *Sandy was the most loving and best friend anyone could ever have. She would be there for anyone for anything that was needed. Sandy never complained and fought like no other to win this battle. Scott was the strength that held her up. The strength and the love they had was unbelievable to witness. I was beyond privileged to have her in my life for 54 years. I loved being a part of her family and her being a part of mine. It is rare to know someone as beautiful inside and out touch your life and so many others as well. I know we have a special angel looking after us. You will always be in our hearts. I love you and will always miss you. We will look after your loved ones as you always looked after us.*
