“ We have been so blessed to have had such a dynamic and honorable man in our profession for such a long time. I am personally aggrieved at his passing but believe his ship is arriving on a distant shore. GOD Bless all in faith!

“ Terry and Darryl, Please know that my thoughts and prayers are with you at this difficult time. Your Mom and Dad were pretty special in my family, as my own parents always spoke highly of them...with respect and love. Terry and Seab worked with my Dad to build our first house in Monroeville, and we finally came to understand how and why our families were inter-twined !!
