“ Even though over 30 years have passed, I still fondly remember that wonderful trip to PA with Paul and my son, Joel. Ms. Shirley welcomed us with open arms into her beautiful home, instantly treating Joel and me like family and making sure we felt truly at home.

Despite only seeing her one other time, she left a lasting impression, leaving a true testament to her remarkable nature. I will always fondly remember how special she made us feel during our time there.

Ms. Shirley, rest gently in the arms of Jesus. I look forward to our reunion in heaven. With all my love, Betty Nieves-Velazquez
