“ Shirley was my knitting buddy for more than sixteen years. We were president and Vice President on the Monroeville knitting guild. We both were members at the start of Plum Library's Circle of Stitchers. Shirley and I taught knitting at the library. Many of those we taught became members of Stitchers. She was a great friend. My she Rest In Peace.

“ I have so many fond memories of Aunt Bunny as a “kid” living down the street from her and Grandpap and Grandma.

*Some of the thoughts that pop into my head are the following:*

*Fun just drying dishes together after dinner while Grandma washed . ( no dishwashers back then ) And then sitting around the kitchen table chit chatting and if I was lucky staying overnight.*

*A beautiful blue mohair sweater she knitted me one time and “tricked” me into trying on the sleeves b/c it was for “someone else my size” and then was surprised when she gave it to me and it was for me all along. CRAZY but I will always remember that blue sweater with pewter buttons... I think I wore it for a grade school picture with a sailor blouse and red headband. LOL*

*Learning to make Kleenex carnations for a homecoming float she was on and filling up grocery bags with the flowers. Going out in a snow storm to get pizza one night in a pretty old beat up car... sliding around... she was very adventurous.*

*My first beauty shop experience at the school she attended as a present to me. ( she usually cut my hair herself... not to my liking... wanted a pony tail) Unfortunately my hair returned to its natural state in the morning. But unforgettable experience sitting under a professional hair dryer. Later I tried to be a beautician myself and cut my cousin’s hair ( only one side).*

*Getting in trouble for asking about her old boyfriend Bill in front of her new boyfriend and soon to be Uncle Ronnie. ( just asked what happened to him... lol)*

*As life went on..... She always remembered my BD with a card and always had an ear to listen and wisdom to impart. My mom would say, “ your Aunt Bunny really likes to send out cards!” I remember*

*my mom also saying that Aunt Bunny puts on a strong face but she is a "softy" at heart. She did have a beautiful genuine heart and will be missed.*

*In loving memory,  
Nikki Ann*
