“ God saw that you were getting tired so he held out his hands and welcomed you home. A place where you can breathe easy now and be free of pain. You have been through so much. You were my favorite aunt since I was a little child. You were always there for our children. You were such an important part of their lives too. We had so many laughs and we will always remember your favorite number 25! That will forever be Miranda's number when she is playing hockey and soccer. Cameron was always there for you when you needed him. He only wished he could have done more to help you get back home. Thank you for sending the Cardinal to visit me these last several days to comfort me. I can't believe you are gone and I will forever miss you but I will see you again.
Love,

Your, Niece Norma
