“ Tracy was my best friend growing up in Monroeville. We had so much fun swimming in the pools sleeping in a tent in the summer. Riding bicycles and motorcycles, We both were Monroeville blue flames majorettes we played in the creek catching salamanders and we just sat in the woods, dreaming our dreams and planning for the future. May you rest in peace, my dear Friend. ❤️🙏

My Dear Sweet Sister Tra,

She meant the world to me; I will love & miss her until we meet again, along with her family & the many friends she's made over her lifetime! She was so kind, giving & loyal to all that she knew! Tra & I were always on the exact same page, no matter what. The many times we spent together were never, ever boring. Over the years when her, Emmett & Liddy & then Harley came to see us in State College, we laughed & cried (from laughing so much).

There was no other place that I would've rather been than when she had her knee replacement. I played nurse, cook & whatever else she needed. Of course, she was never ever demanding, whinny or needy, just her normal hilarious self! We were friends, "Sista's" & always there for each other. She went with me to Philly to support & comfort me. On the way there she said, "Girl Trip". Again, we laughed so hard we cried, imagine that!

EMMETT WAS HER ROCK & SHE HIS! THERE WILL ALWAYS BE LOTS OF US

THAT ARE HERE FOR HIM, ALWAYS

RIP.....My Tra – REST in PARADISE

Love you to the Moon & back, Lynn
