“ I was truly blessed to have Vince in my life for 35 years. I couldn't have asked for a better first boss and a friend - one who would do anything for anybody. He made work fun - I loved going to work every day. He helped me in my studies and in my personal life. He helped make me a better person by example. His compassion, enjoyment of life and sense of humor is something I will never forget. When I was expecting my second child, he was the first person that came to mind to be her godfather - even over my own brother and brother-in-law. He made that much of an impact on me. I couldn't think of a better person. I was honored when he accepted. I will truly miss and cherish every minute I knew Vince, all the times he teased me and really had me believing he was telling the truth with the help of buddies at the hardware store. He made me laugh! Thank you for sharing your husband/dad with me and my family! I love him and will miss him deeply and always hold him near and dear to my heart.

“ Melva, Vinny and family, I have the fondest of memories growing up in the Pittsburgh area with my immediate and extended families. I remember great times on holidays with my sister Adele and first cousins Vincent and Rosalba. I was always amazed by Vince's train and gun collections, and enjoyed hanging out with him. He was one of the kindest and nicest persons one could hope to know. He was loved and will be missed I am sure by all. I am sorry for your personal loss. GUERIN
