“ I learned of Walt's passing yesterday after Sunday Mass from Kitty Dalton and am so sorry for the entire family that mourns this loss. Those who knew Walt were well aware of his great love and enjoyment of family. Pope Francis Exhortation on Love in the Family reminds us, "Love does not have to be perfect for us to value it". We valued Walt's love because he made sure that no one feels unimportant or excluded from God's love! My prayers are for you in your grief, but know, that a life well lived brings great joy for all in heaven! God Bless each of you!

“ Please know that our thoughts and prayers are with you at this time. I can remember that Uncle Walt always had a kind word and saw the humor in almost everything. As the Scalia funeral homily on TV reminds us that the greatest gift our parents gave us were brothers and sisters to be with us on our journey. Our mothers and fathers were most generous.

Peace,

“ I was sorry to hear of Uncle Walt's passing. Being the youngest of the Cummings boys I really didn't know Uncle Walt so well, but he always seemed happy and glad to see you. With two families our size it wasn't always easy getting together, but rest assured our thoughts and prayers are with your family during this time of sorrow. Peace be with you.

“ Our thoughts and prayers are with the entire Jancweski clan during this trying time. We wish we could be with you during your time of sorrow but traveling right now is a little bit of a challenge for us.

Please know that we are thinking of you and saying extra prayers to help Walt on his journey. We have also asked the Benedictine monks to pray for Walt in their monthly Mass.

“ *Uncle Walt was such a great man and so incredibly easy going! I can remember a wonderful summer vacation in PA. Uncle Walt always maintained his 'cool' even in the midst of the utter chaos that was the combination of our two families. His calm words and demeanor always managed to diffuse the situation and take it down from a 'Defcon 10'!*

He was always so patient with us kids and so kind to seek each of us out to find out how we were. This never changed - no matter how old we grew. He always had a smile and a quirky sense of humor that I so enjoyed! Just being around him made me smile!

He unique light, love, and gifts will be sorely missed!
