“ Dear Pat and family, I want to express my deepest sorrow and condolences in the passing of Warren. Pat its been a long long time since we've seen or spoken, but our times together and friendship are still very much on my mind. Warren was a great man and friend. I have 2 very fond memories, and lots of stories , but not for here. The first memory is about the four of us doing things together and my sister at the time was about 2 years old. "Kuch" and I talked alot about going to meet Pat and Warren, or stuff we did. My sister started calling you Pat-n-Warren. She thought it was all one word. No matter which of you, she was referring to, it always came out Pat-n-Warren. We laughed at that over the years many times. The 2nd memory and Pat you will remember this one vividly. I think it was a day or 2 before my wedding, Warren had appendicitis and had to have an appendectomy. Pat you were in the wedding and we had already purchased and fitted the bridesmaid dresses. They were ready to be shipped when I got your call. Both you and I called the dress shop, to see if there was anyway to get refunded and cancel the order. They refused, saying that it was too late because the dresses had already been altered. You were very kind and I asked if you would be able to at least come to the wedding and then, if you wanted to leave or bring Warren to the reception he could at least have dinner. Obviously Warren was not able to be in the wedding. I had a friend marrying on Monday, Memorial day weekend and he got his tux for his wedding early so he could escort you down the aisle. As I remember it all seemed to work out. I'm not sure on your end if you felt the same way, but I was so grateful you were there and I do believe you did come to the reception for a bit with Warren. That's what friends do, thank you. WE always cared about both of you and I am glad you had a wonderful life together. God bless you and your family. Love. Donna Martin Kimbro.
